containing information as at May 18th, 2023 unless otherwise noted.

SOLICITATION OF PROXIES

Solicitation of Proxies by Management

This Management Information Circular (“Circular”) dated May 18th, 2023 is furnished in connection with the solicitation of proxies by the management (the “Management”) of Galantas Gold Corporation (the “Company”) for use at the Annual and Special Meeting of the shareholders of the Company to be held on June 27, 2023 (the “Meeting”), at the time and place and for the purposes set forth in the accompanying Notice of Meeting (“Notice of Meeting”) and any adjournment thereof.

Costs and Manner of Solicitation

The enclosed Instrument of Proxy is solicited by Management. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or electronically by the directors and regular employees of the Company or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares (the “Common Shares”) of the Company. **All costs of solicitation will be borne by the Company.** No director of the Company has informed Management in writing that he intends to oppose any action intended to be taken by Management at the Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A shareholder entitled to vote at the Meeting may, by means of a properly executed and deposited form of Proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders of the Company, to attend and act at the Meeting for the shareholder and on the shareholder’s behalf.

The persons named as proxyholders in the accompanying form of Proxy, namely Mario Stifano, CEO and a Director of the Company and George Duguay, Corporate Secretary, were designated by Management (the “**Management Designees**”). **A SHAREHOLDER HAS THE RIGHT TO APPOINT SOME OTHER PERSON OR COMPANY (who need not be a shareholder) to represent him or her at the Meeting. Such right may be exercised by inserting such person’s or company’s name in the blank space provided in the form of Proxy and striking out the names of the Management Designees or by completing another form of Proxy.** In such event, the shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy and should provide instructions on how the shareholder’s shares are to be voted.

A form of Proxy will not be valid unless the completed, dated and signed form of Proxy is deposited, together with the power of attorney or other authority, if any, under which it is signed, or a notarized copy thereof, with TSX Trust Company by mail using the return envelope accompanying the notice of meeting to TSX Trust Company Attention: Proxy Department, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1 or by fax at 416.595.9593, in each case not less than 48 hours (excluding Saturdays, Sundays and holidays), or by voting on line through the internet

at www.voteproxyonline.com; before the time for holding the Meeting, or adjournment thereof. The time limit for deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion, without notice.

Revocation of Proxy

A shareholder who has given a proxy has the power to revoke it at any time before it is exercised by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 82 Richmond Street East, Toronto, Ontario M5C 1P1, at any time up to and including the last business day preceding the day of the Meeting (or, if adjourned, at any reconvening thereof), or to the Chairman of the Meeting on the day of the Meeting, or in any other manner permitted by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In addition, a form of Proxy may be revoked by a shareholder executing another form of Proxy bearing a later date and depositing the same at the offices of TSX Trust Company within the time period and in the manner set out under the heading "Appointment of Proxy" above or by the shareholder personally attending at the Meeting, withdrawing his or her form of Proxy and voting the shares.

General

Shares represented by properly executed proxies in favour of the Management Designees **will be voted FOR the matters to be transacted at the Meeting (as stated herein and in the Notice of Meeting) or WITHHELD from voting or voted AGAINST, if so indicated on the form of Proxy.**

If the instructions contained in a form of Proxy are certain, the shares represented by the form of Proxy shall be voted on any ballot and, where a choice is specified, in accordance with the specification so made. **If no choice is indicated with respect to any matter referred to herein, the form of Proxy will be voted FOR such matter.**

The enclosed form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations to matters referred to herein and with respect to other matters which may properly come before the Meeting. In the event amendments or variations to matters referred to herein are properly brought before the Meeting, or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, Management knows of no such amendment, variation or other matter which may be presented at the Meeting.

Unless otherwise directed, it is Management's intention to vote proxies in favour of the resolutions set forth herein. All ordinary resolutions require, for the passing of the same, a simple majority of the votes cast at the Meeting by the holders of Common Shares present in person or represented by proxy at the Meeting. All special resolutions require, for the passing of the same, at least two thirds of the votes cast by the holders of Common Shares present in person or represented by proxy at the Meeting. All approvals by "disinterested shareholder vote" require the approval of the shareholders not affected by, or interested in, the matter to be approved, by way of a simple majority of the votes cast at the Meeting by disinterested shareholders.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered holders of Common Shares or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

These securityholder materials are being sent to both registered and Non-Registered Holders of the securities. If you are a Non-Registered Holder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

In accordance with the requirements of the Canadian Securities Administrators, the Company will have distributed copies of the Notice of Meeting, this Circular, and the enclosed form of Proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived his or her right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

1. be given a form of Proxy **which has already been signed by the Intermediary** (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder, but which is otherwise incomplete. This form of Proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of Proxy and deposit it with TSX Trust Company, Attention: Proxy Department, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1 or by fax at 416.595.9593 , or by voting on line through the internet at www.voteproxyonline.com; with respect to the Common Shares beneficially owned by such Non-Registered Holder, in accordance with the instructions provided by the Intermediary, **OR**
2. more typically, be given a voting instruction form (VIF) which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute authority and instructions which the Intermediary must follow.

In either case, the purpose of this procedure is to permit the Non-Registered Holder to direct the voting of the shares he or she beneficially owns. **Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should contact the Intermediary for instructions as to how to proceed.**

All references to shareholders in this Circular and the accompanying form of Proxy and Notice of Meeting are to registered shareholders of the Company unless specifically stated otherwise.

RECORD DATE AND RIGHT TO VOTE

The record date for the determination of shareholders entitled to receive notice of the Meeting has been fixed at the close of business on May 18, 2023 (the “**Record Date**”).

Every shareholder of record at the Record Date who either personally attends the Meeting or who has submitted a properly executed and deposited form of Proxy in the manner and subject to the provisions described in “Appointment of Proxy” above, and which has not been revoked, shall be entitled to vote or to have his or her shares voted at the Meeting or any adjournment thereof.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at May 18, 2023, the Company had 114,841,403 Common Shares issued and outstanding without nominal or par value and no preferred shares are issued and outstanding. The Common Shares are the only shares entitled to be voted at the Meeting, and holders of Common Shares are entitled to one vote for each Common Share held.

The presence in person or by proxy of not less than 2 persons holding or representing not less than 20% of the shares of the Company entitled to vote at a meeting of shareholders is necessary to constitute a quorum of shareholders at the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date hereof, there is no person or company who beneficially owns, directly or indirectly, or exercises control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares except as indicated in the following table:

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee, which is currently composed of David Cather, Roisin Magee and Brent Omland, meet regularly and review and make recommendations to the board of directors of the Company (the “**Board**”) with respect to the compensation of the executive officers of the Company. The Corporate Governance and Nomination Committee recommends candidates for election to the Board, including the Chief Executive Officer.

Directors who are also members of management absent themselves from a meeting, or portion of a meeting, of the Board where such individual's compensation is discussed and refrain from voting in respect of the approval of such compensation.

Objectives of Compensation Program

The Company's principal goal is to create value for its shareholders. The Company believes that the compensation policies and practices of the Company should reflect the interests of its shareholders in achieving this goal.

The Company's compensation philosophy is based upon the following principal objectives: (i) aligning the interests of the Chief Executive Officer and the other officers of the Company with the interests of the Company and its shareholders; (ii) linking executive compensation to the performance of the Company and each particular officer of the Company; and (iii) attracting, motivating and retaining individuals with exceptional executive, technical, financial and other relevant skills.

The Compensation Committee reviews compensation as a whole, taking into account salary, stock options, bonuses and any other form of compensation. Previous grants of stock options are taken into account when considering new stock option grants.

Annual Salaries and Performance Bonuses

To ensure that the Company attracts and retains qualified and experienced executives, the Compensation annually reviews and, if appropriate, adjusts the base salaries of its senior executives.

The performance criteria considered in determining performance bonus awards vary in accordance with the position and responsibilities of the executive of the Company. While not solely based on any one item, key considerations in determining performance bonuses for executives of the Company include the operating performance of the Company, the guidance and strategic vision for growth and business goals of the Company, the performance of the Common Shares and other organizational indicators, as well as individual achievements that demonstrate a contribution by the executive to the Company. The Compensation Committee also considers industry peer compensation in assisting it to arrive at its recommendations.

Summary of Compensation of Executive Officers

For the financial year ended December 31, 2022, Mario Stifano, the Company’s CEO, Alan Buckley, the Company’s Chief Financial Officer (the “CFO”), and Brendan Morris, the Company’s Chief Operating Officer were the ‘Named Executive Officers’ (or “NEOs”). Mr. Stifano is also an executive director of the Company.

A “**Named Executive Officer**” means the following individuals: the CEO, CFO and the most highly compensated Executive Officer, other than the CEO and CFO, whose total compensation exceeded \$150,000 and who was serving as an Executive Officer (as defined below) at the end of the most recently completed financial year and any such individuals who would be a Named Executive Officer but for the fact that the individual was neither an Executive Officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year.

“**Executive Officer**” means an individual who is the chair or vice-chair of the board of directors, president or any vice-president in charge of a principal business unit, division or function including sales, finance or production, and an officer of the Company or its subsidiary who performs a policy-making function in respect of the Company or any other individual who performed a policy-making function in respect of the Company.

Other than its President and Chief Executive Officer, the Company’s only Executive Officer whose compensation exceeded \$150,000 for the financial year ended December 31, 2022 was the Chief Operating Officer, Brendan Morris. The following table sets forth the aggregate cash compensation (including salaries, fees, directors’ fees, commissions, bonuses paid for services rendered during the most recently completed fiscal year, bonuses accrued or paid for services rendered in a previous year, and any compensation the payment of which was deferred) accrued or paid to the Named Executive Officers (or companies controlled by the Named Executive Officers), in the capacity as a Named Executive Officer, for the most recently completed financial year.

On June 1, 2021, the Company entered into an employment agreement with Mario Stifano (the “**Employment Agreement**”) pursuant to which the Company engages Mr. Stifano to occupy the position of Chief Executive Officer of the Company. The Employment Agreement sets out the terms and conditions in the event that there is a change of control or in other circumstances where Mr. Stifano is terminated without cause. The Company may terminate the Employment Agreement at any time by giving a notice of termination. If the Company terminates the Employment Agreement and Mr. Stifano's employment thereunder without cause, in addition to any other amounts that may be payable to Mr. Stifano under the Employment Agreement up to the date of termination, the Company shall pay to Mr. Stifano an amount equal to the fees that would have been payable to Mr. Stifano had the retainer with the Company continued for a period of twelve months from the date of termination plus the average of any bonus payments received in the previous two years prior to termination. The Company also has an employment contract in place with Alan Buckley, Chief Financial Officer. The terms and conditions of the employment agreement between Alan Buckley and the Company are substantially the same as the terms between Mario Stifano and the Company, including with respect to payments triggered as a result of termination of the Agreements or change of control of the Company.

The Company has a management consulting contract with a company controlled by Brendan Morris, Chief Operating Officer, through which he provides his services to the Company. The agreement does not provide for any payments upon termination or following a change of control

(The agreements between Mario Stifano and the Company, Alan Buckley and the Company, and Brendan Morris and the Company shall hereinafter be referred to collectively as the “**Agreements**” and each singularly as an “**Agreement**”).

Pursuant to the Stock Option Plan, the Board may allocate non-assignable and non-transferable options in respect of authorized and unissued Common Shares to the directors, senior officers, full-time employees or consultants of the Company or any affiliate or subsidiary of the Company (“**Eligible Persons**”). The Stock Option Plan is a “rolling” stock option plan, reserving a maximum of 10% of the issued and outstanding Common Shares, calculated at the time of the grant of the options. In addition to any resale restrictions under applicable securities laws, the options granted under the Stock Option Plan will be subject to a four (4) month holding period commencing on the date of the grant, as per TSX Venture Exchange requirements.

CORPORATE GOVERNANCE

Board of Directors

Roisin Magee is the Non-Executive Chair of the Board. The Board facilitates its exercise of independent supervision over management by ensuring that a majority of the members of the Board are independent within the meaning of **National Instrument 52-110 Audit Committee** (“NI 52-110”). Under NI 52-110, a director is considered to be independent if, among other things, the director does not have a relationship with the Company which could, in the view of the Board, be reasonably expected to interfere with the exercise of such director’s independent judgment in his or her capacity as director. At present, the Board is composed of five directors, being Messrs. Stifano, Omland, Cather, Clancy, and Ms. Magee, of which Messrs. Clancy, Cather, Omland and Ms. Magee are considered to be independent according to the definition of independence set out in NI 52-110. Mr. Stifano is not considered to be independent as he is an Executive Officer and member of the management of the Company.

The Board is responsible for approving long-term strategic plans, annual operating plans, budgets, material contracts and business transactions, strategic planning, acquisitions, and financings.

Orientation and Continuing Education

The Company currently does not have any orientation or continuing education plans in place to orient new members of the Board. However, new directors are invited and encouraged to meet with established directors as well as the Company’s legal counsel in order to better understand their role and responsibilities as a director of the Company. New directors are also provided with a complete set of the Company’s mandates and policies.

Ethical Business Conduct

In fulfilling its mandate and approving various decisions put forth by Management, the Board ensures that the measures Management takes comply with securities regulations and other applicable laws. Members of the Board are also aware of their fiduciary role to the Company as well as their individual fiduciary duties in their role as directors, all of which are set out in the applicable federal corporate legislation. In exercising their powers and discharging their duties, the Board is required to act honestly and in good faith with a view to the best interests of the Company, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. There is personal and regular interface with management as to progress, schedule and future planning. Furthermore, there is dual control of the Company’s finances and periodic and regular review. Management at Board meetings regularly briefs the Board of Directors on the current and planned operations of the Company.

The Company has also adopted a Code of Business Conduct and Ethics (the “Code”) to document the principles of conduct and ethics to be followed by the employees, officers, and directors of Galantas. Among other things, the Code seeks to promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest in personal and professional relationships. The Company expects all of its employees, officers and directors to, at all times, comply and act in accordance with the principles detailed in the Code, but specifically notes that it should not be assumed that questionable activities are allowable just because they are not mentioned specifically in the Code.

Nomination of Directors

As the Company’s business evolves and expands, the Company may be required to change the size or composition of the board of directors to reflect different depths or areas of expertise of the members of the board of directors. From time to time new directors may be added in order to ensure that the Company continues to implement best practices and that the Company has access to the expertise required to run its operations in the most efficient manner possible. In addition, the Company will be required to replace existing directors from time to time. Currently, new candidates for the board of directors are identified by management and considered by the Corporate Governance and Nomination

Committee of the Board, which then recommends candidates for consideration by the Board, in each case, having regard to the needs of the Company at the relevant time.

Compensation

Members of the Board are currently generally compensated to act as directors for the Company. David Cather, Roisin Magee and Brent Omland are currently members of the Compensation Committee. The Non-Executive Chairman is compensated at the rate of \$50,000 per annum and the independent directors are compensated at the rate of \$30,000 per annum. No additional compensation is paid for attendance at meetings of the board and committees.

The Board determines the level of compensation of the directors and the CEO based on the Company's economic performance and the responsibilities and risks involved in being an effective director or chief executive (as applicable) of a junior resource company. The Board considers the current compensation to adequately cover such responsibilities and risks.

Other Board of Directors Committees

In addition to the Audit Committee, details of which are outlined below, the Board also has a Technical, Health, Safety and Environment Committee, a Compensation Committee, and a Corporate Governance and Nomination Committee.
