

**David Cather** was elected as a Non-Executive Director of Galantas Gold Corporation on June 27, 2019.

David is an experienced mining engineer with over 30 years of mining experience. He has held CEO roles in Avocet Mining, the Abu Dhabi Capital Group Mining Division and was Chief Operating Officer for European Goldfields.

He is currently a non-executive director of Fengro Industries, a Canadian listed company with a phosphate operating business in Brazil. David's career has included senior roles at Anglo American where he was Technical Director for its Industrial Minerals Division. He spent five years consulting to the industry on a variety of early stage projects principally for gold and base metal projects in DRC, Sierra Leone, Nicaragua, Philippines and Colombia.

He is a graduate from the Royal School of Mines, Imperial College London with a first class degree in mining engineering and has gained extensive senior level project development experience and operations management in both open pit and underground operations.
