containing information as at May 18th, 2010 unless otherwise noted.

SOLICITATION OF PROXIES

Solicitation of Proxies by Management

This Management Information Circular (“Circular”) dated May 18, 2010 is furnished in connection with the solicitation of proxies by the management (the “Management”) of Galantas Gold Corporation (the “Company”) for use at the Annual and Special Meeting of the shareholders of the Company to be held on June 22, 2010 (the “Meeting”), at the time and place and for the purposes set forth in the accompanying Notice of Meeting (“Notice of Meeting”) and any adjournment thereof.

Costs and Manner of Solicitation

The enclosed Instrument of Proxy is solicited by Management. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or electronically by the directors and regular employees of the Company or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares (the “Common Shares”) of the Company. **All costs of solicitation will be borne by the Company.** No director of the Company has informed the Management in writing that he intends to oppose any action intended to be taken by the Management at the Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A shareholder entitled to vote at the Meeting may, by means of a properly executed and deposited proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders of the Company, to attend and act at the Meeting for the shareholder and on the shareholder’s behalf.

The persons named as proxyholders in the accompanying form of Proxy, namely Lionel J. Gunter, Chairman of the Company, Roland Phelps, President and Chief Executive Officer of the Company, and George A. Duguay, Secretary of the Company, were designated by Management (the “Management Designees”). **A SHAREHOLDER HAS THE RIGHT TO APPOINT SOME OTHER PERSON OR COMPANY (who need not be a shareholder) to represent him or her at the Meeting. Such right may be exercised by inserting such person’s or company’s name in the blank space provided in the form of Proxy and striking out the names of the Management Designees or by completing another form of Proxy.** In such event, the shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxy and should provide instructions on how the shareholder’s shares are to be voted. The nominee should bring personal identification to the meeting.

A proxy will not be valid unless the completed, dated and signed form of Proxy is deposited, together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, with Equity Transfer & Trust Company, 200 University Avenue, Suite 400, Toronto, Ontario M5H 4H1 or by fax at (416) 361-0470, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or adjournment thereof.

Revocation of Proxy

A shareholder who has given a proxy has the power to revoke it at any time before it is exercised by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 50 Richmond Street East, Suite 101, Toronto, Ontario M5C 1N7, at any time up to and including the last business day preceding the day of the Meeting (or, if adjourned, at any reconvening thereof), or to the chairman of the Meeting on the day of the Meeting, or in any other manner permitted by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In addition, a proxy may be revoked by a shareholder executing another form of Proxy bearing a later date and depositing the same at the offices of Equity Transfer & Trust Company within the time period and in the manner set out under the heading "Appointment of Proxy" above or by the shareholder personally attending at the Meeting, withdrawing his or her proxy and voting the shares.

General

Shares represented by properly executed proxies in favour of the Management Designees **will be voted for the matters to be transacted at the Meeting (as stated herein and in the Notice of Meeting) or withheld from voting or voted against, if so indicated on the form of Proxy.**

If the instructions contained in a form of Proxy are certain, the shares represented by the proxy shall be voted on any ballot and, where a choice is specified, in accordance with the specification so made. **If no choice is indicated with respect to any matter referred to herein, the Proxy will be voted FOR such matter.**

The enclosed form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations to matters referred to herein and with respect to other matters which may properly come before the Meeting. In the event amendments or variations to matters referred to herein are properly brought before the Meeting, or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, Management knows of no such amendment, variation or other matter which may be presented at the Meeting.

Unless otherwise directed, it is Management's intention to vote proxies in favour of the resolutions set forth herein. All ordinary resolutions require, for the passing of the same, a simple majority of the votes cast at the Meeting by the holders of Common Shares present in person or represented by proxy at the Meeting. All special resolutions require, for the passing of the same, at least two thirds of the votes cast by the holders of Common Shares present in person or represented by proxy at the Meeting. All approvals by "disinterested shareholder vote" require the approval of the shareholders not affected by, or interested in, the matter to be approved, by way of a simple majority of the votes cast at the Meeting by disinterested shareholders.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered holders of Common Shares or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a "Non-Registered Holder") are registered either: (i) in the name of an intermediary (an "Intermediary") (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of the Canadian Securities Administrators, the Company will have distributed copies of the Notice of Meeting, this Circular, and the enclosed form of Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived his or her right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

1. be given a form of Proxy **which has already been signed by the Intermediary** (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder, but which is otherwise incomplete. This form of Proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of Proxy and deposit it with Equity Transfer & Trust Company, 200 University Avenue, Suite 400, Toronto, Ontario M5H 4H1 or by fax at (416) 361-0470, with respect to the Common Shares beneficially owned by such Non-Registered Holder, in accordance with the instructions provided by the Intermediary, **OR**
2. more typically, be given a voting registration form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute authority and instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar code or other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit the Non-Registered Holder to direct the voting of the shares he or she beneficially owns. **Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should contact the Intermediary for instructions as to how to proceed.**

All references to shareholders in this Circular and the accompanying form of Proxy and Notice of Meeting are to registered shareholders of the Company unless specifically stated otherwise.

RECORD DATE AND RIGHT TO VOTE

The record date for the determination of shareholders entitled to receive notice of the Meeting has been fixed at the close of business on May 10th, 2010 (the “Record Date”).

Every shareholder of record at the Record Date who either personally attends the Meeting or who has submitted a properly executed and deposited form of Proxy in the manner and subject to the provisions described in “Appointment of Proxy” above, and which has not been revoked, shall be entitled to vote or to have his or her shares voted at the Meeting or any adjournment thereof.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares and an unlimited number of preferred shares issuable in series. As at the date hereof, the Company has 190,100,055 Common Shares issued and outstanding without nominal or par value and no preferred shares are issued and outstanding. **The Common Shares are the only shares entitled to be voted at the Meeting, and holders of Common Shares are entitled to one vote for each Common Share held.**

The presence in person or by proxy of not less than two (2) persons holding or representing not less than 20% of the shares of the Company entitled to vote at a meeting of shareholders is necessary to constitute a quorum of shareholders at the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date hereof, there is no person or company who beneficially owns, directly or indirectly, or exercises control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares except as indicated in the following table:

Name and Current Office (if any)	Type of Ownership	Number of Common Shares Owned or Controlled as of the date of this Circular	Percentage of outstanding Common Shares as of the date of this Circular
Roland Phelps, <i>President, Chief Executive Officer and Director</i>	Indirect	7,105,338	18.7%

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation and Corporate Governance Committee, which is currently composed of Messrs. Golla, Brewster and Alexander, meet regularly and review and make recommendations to the board of directors of the Company (the “Board”) with respect to the compensation of the executive officers of the Company. This committee also recommends candidates for election to the Board, including the Chief Executive Officer.

Directors who are also members of management absent themselves from a meeting, or portion of a meeting, of the Board where such individual’s compensation is discussed and refrain from voting in respect of the approval of such compensation.

Objectives of Compensation Program

The Company’s principal goal is to create value for its shareholders. The Company believes that the compensation policies and practices of the Company should reflect the interests of its shareholders in achieving this goal.

The Company’s compensation philosophy is based upon the following principal objectives: (i) aligning the interests of the Chief Executive Officer and the other officers of the Company with the interests of the Company and its shareholders; (ii) linking executive compensation to the performance of the Company and each particular officer of the Company; and (iii) attracting, motivating and retaining individuals with exceptional executive, technical, financial and other relevant skills.

The Compensation and Corporate Governance Committee reviews compensation as a whole, taking into account salary, stock options, bonuses and any other form of compensation. Previous grants of stock options are taken into account when considering new stock option grants.

Annual Salaries and Performance Bonuses

To ensure that the Company attracts and retains qualified and experienced executives, the Compensation and Corporate Governance Committee annually reviews and, if appropriate, adjusts the base salaries of its senior executives.

The performance criteria considered in determining performance bonus awards vary in accordance with the position and responsibilities of the executive of the Company. While not solely based on any one item, key considerations in determining performance bonuses for executives of the Company include the operating performance of the Company, the guidance and strategic vision for growth and business goals of the Company, the performance of the Common Shares and other organizational indicators, as well as individual achievements that demonstrate a contribution by the executive to the Company. The Compensation and Corporate Governance Committee also considers industry peer compensation in assisting it to arrive at its recommendations.

Summary of Compensation of Executive Officers

For the financial year ended December 31, 2009, Roland Phelps, the Company's President and Chief Executive Officer ("CEO") and Leo O'Shaughnessy, the Company's Chief Financial Officer (the "CFO") were the "Named Executive Officers" (or "NEOs") of the Company. INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

The Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or Executive Officer of the Company at any time since the beginning of the last financial year of the Company, or any proposed nominee for election as a director of the Company, or any known associate or affiliates of such persons in any matter to be acted upon at the Meeting, other than the election of directors or the appointment of auditors, or as otherwise disclosed herein.

Other than as disclosed in this Circular, the Company is not aware of any material interest, direct or indirect, of any Informed Person (as defined below) of the Company in any transaction since the commencement of the Company’s last financial year or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries. An “Informed Person” means a director or Executive Officer of a reporting issuer or of a person or company that is itself an informed person or subsidiary of a reporting issuer, any person or company who beneficially owns, directly or indirectly, voting securities of a reporting issuer or who exercises control or direction over voting securities of a reporting issuer or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the reporting issuer other than voting securities held by the person or company as underwriter in the course of a distribution, and a reporting issuer that has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities. Nor is the Company aware of any material interest, direct or indirect, of any proposed director of the Company, any associate or affiliate of any informed person or proposed director, or of any person who beneficially owns or controls directly or indirectly more than 10% of the issued and outstanding Common Shares in any transaction since the commencement of the

Company's last financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the board of directors of the Company, the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice of Meeting.

Receipt of Financial Statements

The audited consolidated financial statements of the Company for the financial year ended December 31, 2009, and the accompanying auditors' report thereon will be presented at the Meeting.

Appointment of Auditors

The shareholders of the Company will be asked to vote for the appointment of McCarney Greenwood LLP, Chartered Accountants, as auditors of the Company for the ensuing year. **Unless such authority is withheld, the Management Designees, if named as proxy, intend to vote the Common Shares represented by any such proxy in favour of a resolution appointing McCarney Greenwood LLP, Chartered Accountants, as auditors for the Company for the ensuing year,** to hold office until the close of the next annual meeting of shareholders or until such firm is removed from office or resigns as provided by law. The shareholders will also be asked to approve and adopt an ordinary resolution authorizing the Board to fix the compensation of the auditors for the ensuing year. McCarney Greenwood LLP, Chartered Accountants, have been the auditors of the Company since February 19, 2009.

Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of the ordinary resolution authorizing the Board to fix the compensation of the auditors for the ensuing year.

Election of Directors

The board of directors presently consists of six (6) directors and these directors are being nominated for re-election.

The term of office of each of the present directors expires at the Meeting. **The persons named below will be proposed for election at the Meeting as Management's nominees and, unless such authority is withheld, the Management Designees, if named as proxy, intend to vote for the election of these nominees.** Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the by-laws of the Company, or with the provisions of the *Canada Business Corporations Act*, R.S.C. 1985, c. Confirmation of Stock Option Plan

As described in the heading “Stock Option Plan” above, the Company has the Stock Option Plan in place. The Plan is a 10% “rolling” stock option plan as described in Policy 4.4 of the TSX Venture Exchange (“Exchange Policy 4.4”). Under the Exchange Policy 4.4, the Company is required to obtain the approval of its shareholders for any stock option plan that is a “rolling” plan every year at its annual shareholders’ meeting.

Accordingly, the shareholders of the Company will be asked to consider and, if thought appropriate, pass an ordinary resolution in substantially the form set out in Schedule “A” attached hereto, ratifying and confirming the Stock Option Plan. **Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of this ordinary resolution to ratify and confirm the Stock Option Plan.** If the Stock Option Plan is not approved by the shareholders, the Company will not be in a position to offer increased incentives to its directors, officers, employees and independent consultants.

Consolidation of the Common Shares

Shareholders will be asked at the Meeting to approve a special resolution (the “**Share Consolidation Resolution**”) to consolidate all of the Company’s issued and outstanding Common Shares on the basis of a ratio of not more than one (1) post-consolidation Common Share for every ten (10) pre-consolidation Common Shares (the “**Consolidation**”), with the Consolidation to be implemented by the Board at any time prior to December 31, 2010. The Consolidation remains subject to receipt of all necessary regulatory approvals, including shareholder approval and acceptance of TSX Venture Exchange.

The Company believes that the proposed Consolidation would allow for more favourable pricing of the Common Shares to facilitate future equity financings to develop the Company’s projects. Except for any variances attributable to fractional shares, the change in the number of issued and outstanding Common Shares that will result from the Consolidation will cause no change in the capital attributable to the Common Shares and will not materially affect any shareholders’ percentage ownership in the Company, even though such ownership will be represented by a smaller number of Common Shares. If the Board decides to implement the Consolidation at the maximum authorized ratio of 1:10, upon completion of the proposed Consolidation the number of Common Shares issued and outstanding will be reduced from 190,100,055 as of the date of this Circular to 19,010,005.

If the Share Consolidation Resolution is approved, the Consolidation will be implemented only upon a determination by the Board that the Consolidation is in the best interests of the Company and its shareholders at that time. In connection with any determination to implement the proposed Consolidation, the Board will set the timing for such Consolidation. No further action on the part of the shareholders will be required in order for the Board to implement the Consolidation. Under the CBCA, shareholders do not have dissent rights with respect to the proposed Consolidation. If the Board does not implement the Consolidation before December 31, 2010, the authority granted by the Share Consolidation Resolution to implement the Consolidation on these terms will lapse and be of no further force or effect. The Share Consolidation Resolution will also authorize the Board to elect not to proceed with, and abandon, the Consolidation at any time if it determines, in its sole discretion, to do so. The Board would exercise this right if it determined that the Consolidation was no longer in the best interests of the Company and its shareholders. No further action on the part of the shareholders will be required in order for the Board to abandon the Consolidation.

If the Share Consolidation Resolution is approved by the shareholders, and the Board decides to implement the Consolidation, following the obtaining of all necessary regulatory approvals, including the acceptance of the TSX Venture Exchange, the Company will promptly file articles of amendment with the Director under the CBCA in the form prescribed by the CBCA to amend the Company’s articles of continuance. The Consolidation will become effective on the date shown in the certificate of amendment in connection therewith, or such other date as indicated in the articles of amendment.

No fractional shares will be issued in connection with the Consolidation and, in the event that a shareholder would otherwise be entitled to receive a fractional share upon the Consolidation, those shareholders shall have such fractional shares cancelled. The exercise or conversion price and/or the number of Common Shares issuable under any outstanding convertible securities, including under outstanding stock options, warrants, rights and any other

similar securities will be proportionately adjusted upon the implementation of the Consolidation, in accordance with the terms of such securities, based on the Consolidation ratio.

If the Consolidation is approved by the shareholders and all regulatory requirements are complied with, including the approval by the TSX Venture Exchange, and implemented by the Board, registered shareholders will be entitled to exchange their share certificates representing pre-Consolidation Common Shares for new share certificates representing post-Consolidation Common Shares. Until surrendered, each share certificate representing pre-Consolidation Common Shares will be deemed for all purposes to represent the number of whole post-Consolidation Common Shares to which the holder is entitled as a result of the Consolidation. If a registered shareholder would otherwise be entitled to receive a fractional share, such fractional share shall be deemed to have been cancelled as described above.

Accordingly, the shareholders of the Company will be asked to consider and, if thought appropriate, pass the special resolution substantially in the form set out in Schedule “B” attached hereto, authorizing the Consolidation.

Under the CBCA, the Share Consolidation Resolution requires the approval of at least two-thirds (2/3) of the votes cast present in person or represented by proxy at the Meeting. **Unless otherwise directed by holders of Common Shares, the Management Designees named as proxies in the accompanying form of Proxy intend to vote the Common Shares represented by such proxy in favour of the Share Consolidation Resolution.**

Name Change

Shareholders will be asked at the Meeting to consider and, if deemed appropriate, pass, with or without amendment, a special resolution in substantially the form set out in Schedule “C” attached hereto (the “**Name Change Resolution**”), authorizing the Company to amend its articles of continuance to change the name of the Company from “Galantas Gold Corporation” to “Galantas Mining Corporation” or such other name as may be approved by the Board and applicable regulatory authorities (the “**Name Change**”). The Name Change remains subject to receipt of all necessary regulatory approvals, including shareholder approval and acceptance of TSX Venture Exchange.

Should the Name Change Resolution be approved, the Name Change will become effective on the date shown in the certificate of amendment in connection therewith, or such other date as indicated in the articles of amendment. The Board shall have the authority to prepare and file articles of amendment in respect of the Name Change. The Name Change Resolution will also authorize the Board to elect not to proceed with, and abandon, the Name Change at any time if it determines, in its sole discretion, to do so without further action on the part of the shareholders of the Company.

Under the CBCA, the Name Change Resolution requires the approval of at least two-thirds (2/3) of the votes cast present in person or represented by proxy at the Meeting. **Unless otherwise directed by holders of Common Shares, the Management Designees named as proxies in the accompanying form of Proxy intend to vote the Common Shares represented by such proxy in favour of the Name Change Resolution.**

CORPORATE GOVERNANCE

Board of Directors

Lionel J. Gunter is the chairman for the Board. The Board facilitates its exercise of independent supervision over management by ensuring that a majority of the members of the Board are independent within the meaning of NI 52-110. Under NI 51-110, a director is considered to be independent if, among other things, the director does not have a relationship with the Company which could, in the view of the Board, be reasonably expected to interfere with the exercise of such director’s independent judgment in his or her capacity as director. At present, the Board is composed of six directors, being Messrs. Phelps, Gunter, Clancy, Golla, Brewster and Alexander, of which Messrs. Clancy, Golla, Brewster and Alexander are considered to be independent according to the definition of independence set out in NI 52-110. Messrs. Phelps and Gunter are not considered to be independent as they are Executive Officers and members of the management of the Company.

The Board is responsible for approving long-term strategic plans, annual operating plans, budgets, material contracts and business transactions, strategic planning, acquisitions, and financings.

Each of the directors of the Company holds the following directorships of reporting issuers (or the equivalent in a foreign jurisdiction) other than the Company⁽¹⁾:

Notes:

(1) The information as to current and previous directorships is not within the knowledge of the Management and has been furnished by the respective directors.

Orientation and Continuing Education

The Company currently does not have any orientation or continuing education plans in place to orient new members of the Board. However, new directors are invited and encouraged to meet with established directors as well as the Company's legal counsel in order to better understand their role and responsibilities as a director of the Company. New directors are also provided with a complete set of the Company's public filings since its inception date, including documents pertaining to the merger that resulted in the creation of the Company.

Ethical Business Conduct

In fulfilling its mandate and approving various decisions put forth by management, the Board ensures that the measures management takes comply with securities regulations and other applicable laws. Members of the Board are also keenly aware of their fiduciary role to the Company as well as their individual fiduciary duties in their role as directors, all of which are set out in the applicable federal corporate legislation. In exercising their powers and discharging their duties, the Board is required to act honestly and in good faith with a view to the best interests of the Company, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. There is personal and regular interface with management as to progress, schedule and future planning. Furthermore, there is dual control of the Company's finances and periodic and regular review. Management is regularly briefed at Board meetings.

Nomination of Directors

As the Company's business evolves and expands, the Company will be required to increase the size of the board of directors and depth of expertise of the members of the board of directors. From time to time new directorships will be added in order to ensure that the Company continues to implement best practices and that the Company has access to the expertise required to run its operations in the most efficient manner possible. In addition, the Company will be required to replace existing directors from time to time. Currently, new candidates for the board of directors are identified by management. Management provides close scrutiny on a personal level and has adopted procedures and policies for the appointment and remuneration of directors.

Compensation

Members of the Board are currently generally compensated to act as directors for the Company. Messrs. Alexander, Brewster and Golla are currently members of the Compensation and Corporate Governance Committee. Effective January 1, 2005, (i) the members of the Board who are independent within the meaning of NI 52-110 are each paid an annual fee of \$5,000, and (ii) each director or member of a Board committee (other than the chairs of the Company's committees who are compensated at a rate of \$500 per meeting) is compensated at a rate \$250 per meeting.

The Board determines the level of compensation of the directors and the CEO based on the Company's economic performance and the responsibilities and risks involved in being an effective director or chief executive (as applicable) of a junior resource company. The Board considers the current compensation to adequately cover such responsibilities and risks.

Other Board of Directors Committees

In addition to the Audit Committee, details of which are outlined below, the Board also has Compensation and Corporate Governance Committee. The functions of the Compensation and Corporate Governance Committee are described above under the heading "Compensation Discussion and Analysis".

Assessment of the Board of Directors, the Audit Committee and Directors

The Company does not currently have any formal procedures in place to assess the performance of the Board as a whole, the Audit Committee or the directors on an individual basis. However, informal discussion among the members of the Board and management serves to monitor the evaluation of each director's contribution to the Board and, in the case of James Clancy, Ronald Alexander and Lionel J. Gunter, to the Audit Committee, and in the case of James I. Golla, Norman Brewster and Ronald Alexander, to the Compensation and Corporate Governance Committee.

AUDIT COMMITTEE

Under NI 52-110, the Company is required to disclose certain information with respect to the Company's Audit Committee. This information is provided below. The full text of the Audit Committee Charter, as passed unanimously by the Board, is attached hereto as Schedule "D".

Composition of the Audit Committee and Relevant Education and Experience

The Audit Committee is required to have a minimum number of three members (the "Members"), all of whom must be directors of the Company. The Audit Committee is currently composed of the following individuals: James Clancy, Ronald Alexander and Lionel J. Gunter. James Clancy is currently the Chair of the Audit Committee. If all of the current directors are re-elected at the Meeting, Messrs. Clancy, Alexander and Gunter will continue to serve as members of the Audit Committee.

Of the Members, Messrs. Clancy and Alexander are considered to be independent within the meaning of NI 52-110. In general terms, a Member is considered independent if they have no direct or indirect relationship with the

Company which could, in the view of the Board, be reasonably expected to interfere with the exercise of the Member's independent judgment. Furthermore, all Members are financially literate in that they have the ability to read and understand a set of financial statements that are of the same breadth and level of complexity of accounting issues that are generally comparable to the breadth and level of complexity of the issues that can be reasonably expected to be raised by the Company's financial statements. Mr. Clancy is a Chartered Accountant and has been an independent financial consultant since 1999, during which period Mr. Clancy has gained experience in understanding internal controls and procedures for financial reporting and in preparing, analyzing and evaluating financial statements that are of the same breadth and level of complexity of accounting issues that are generally comparable to the breadth and level of complexity of the issues that can be reasonably expected to be raised by the Company's financial statements.

Audit Committee Oversight

At no time during the last financial year did the Company disregard a recommendation put forth by the Audit Committee with respect to the nomination or compensation of an external auditor.

Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption contained in section 2.4 of NI 52-110 (*De Minimis Non-Audit Services*) with respect to the pre-approval of non-audit services by the Audit Committee, nor has the Company had to request any type of exemption from the securities regulatory authorities with respect to disclosure concerning the Company's Audit Committee, such exemptions being granted under Part 8 of MI 52-110 (*Discretionary Exemption of Securities Regulatory Authority or Regulator*).

Pre-Approval Policies and Procedures for Non-Audit Services

The Audit Committee is responsible for pre-approving all non-audit services to be provided by the external auditor to the Company other than de minimis non-audit services referred to in section 2.4 of NI 52-110. In particular, the Chair of the Audit Committee is authorized to approve any non-audit services. The Audit Committee also reviews fees paid by the Company to the external auditors and other professionals in respect of audit and non-audit services on an annual basis. Furthermore, the Audit Committee is required to evaluate the independence and objectivity of the external auditors. The Audit Committee also has the authority to engage independent legal counsel and other advisors as it determines necessary to carry out its duties and responsibilities. The Chair of the Audit Committee is authorized to approve any non-audit services.

External Auditor Service Fees (by category)

The aggregate fees billed by the Company's external auditors during the last two fiscal years are set out in the table below. "Audit Fees" refer to the aggregate fees billed by the external auditor for audit fees. "Audit-Related Fees" refer to the aggregate fees for assurance and related services billed by the external auditor that are reasonably related to the performance of the audit or review of the Company's financial statements and not reported under Audit Fees. "Tax Fees" refer to the aggregate fees for professional services rendered by the external auditor for tax compliance, tax advice, and tax planning. "All Other Fees" include all fees billed by the external auditors for services not covered in the other three categories.

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees

- (2) "All Other Fees" include all fees billed by the external auditors for services not covered in the other three categories.

Reliance on Exemption in Section 6.1 of NI 52-110

The Company is relying upon the exemption in Section 6.1 of NI 52-110 for issuers on the TSX Venture Exchange which allows for an exemption from Parts 3 (*Composition of the Audit Committee*) and 5 (*Reporting Obligations*) of NI 52-110 and allows for the short form of disclosure of audit committee procedures set out in Form 52-110F2.

OTHER BUSINESS

Management of the Company knows of no other matters to come before the Meeting other than as set forth above and in the Notice of Meeting. Should any other matters properly come before the Meeting, it is the intention of the persons named in the form of Proxy accompanying this Circular to vote the same in accordance with their best judgment of such matters.
